London, UK · +44 7741522421 · rishabh3096@gmail.com · [linkedin.com/in/rishabhyadavv](https://www.linkedin.com/in/rishabhyadavv) · www.be.net/rishabhyadavv

PROFILE

Senior brand designer with 5+ years of experience shaping visual identities, product launch campaigns and scalable brand systems, most recently as Lead Visual Artist at boAt, India's #1 audio and wearable brand. Experienced in translating complex products into clear, compelling visual narratives across every customer touchpoint, from campaign identities and launch assets to motion, digital and social. Strong command of Figma and Adobe Creative Suite, with a solid foundation in motion design and a practical approach to AI-powered creative workflows. Comfortable working async across global teams, presenting creative rationale confidently and managing multiple projects in parallel. Right to work in the UK on a Graduate visa valid until November 2027.

SKILLS

Brand Identity & Visual Systems · Product Launch Creative · Campaign Design · Visual Storytelling · Scalable Design Systems · Motion Design · Figma · Adobe Photoshop, Illustrator, InDesign, After Effects, Premiere Pro · AI Creative Workflows · Typography & Composition

EXPERIENCE

Lead Visual Artist | boAt

Jan 2020 – Sep 2024

- Shaped and evolved the boAt brand across every customer-facing touchpoint, building scalable visual systems that maintained consistency and quality across campaigns, digital, social, ecommerce and experiential.
- Led creative direction for major product launches across the brand portfolio, translating complex hardware and wearable technology into clear, engaging and visually memorable brand experiences.
- Developed campaign identities and launch assets for high-profile brand partnerships with Netflix, Warner Bros, Disney and Dolby, delivering 360-degree creative from concept through to final execution.
- Directed the boAt x iShowSpeed World Cup activation, submitted to Cannes Lions: 71M+ reach, 3,300% increase in engagement, zero media spend.
- Designed launch suites across packaging, landing pages, social, paid advertising and e-commerce, building reusable creative frameworks to improve consistency and speed across the team.
- Created motion graphics and storyboards in After Effects for product launch videos, social campaigns and brand activations, collaborating closely with video production teams throughout.
- Integrated AI tools including Midjourney and Adobe Firefly into ideation and production workflows, using them to accelerate creative exploration without compromising craft or quality.
- Awarded boAt's Star Performer Award for contribution to brand and campaign output.

Visual Artist | Ideatic (Creative Studio)

Mar 2019 – Aug 2019

- Delivered brand identity and campaign work for F&B clients; art-directed photoshoots and produced a year-long video campaign series.
